28th June 2019

Dear Everyone,

This week we are very much looking forward to two events at Stockton on the Forest Primary school. On Tuesday and Thursday our Hazel and oaks class production of Treasure Island takes place. Miss Collins and the team have been working incredibly hard on props, costumes, singing and acting to produce what is promising be a super event.

Our Tuesday performance begins at 1.30pm with doors opening from 1.15pm. Once the performance is finished parents can collect their children from the usual school exit once they are changed out of their costumes.

Younger siblings can also be collected on arrangement with Mrs Mills or Mrs Mitchell.

The Thursday performance begins at 6pm with doors opening at 5.30pm.

On Friday we will be holding our parent partnership summer event.

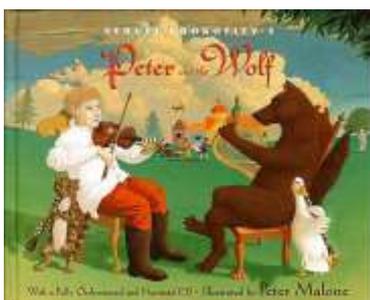

This year we are running a Stockton on the Forest Primary school café. The café will be open to all from 2pm - 4pm and will include a raffle and tombola.

Please come and join us for cakes and drinks which will be on sale throughout the café opening times with some of our very own waiters/waitresses being available to take your orders.

As part of the event children will be running their own stalls. Please bring some silver change to ensure that you can fully participate in the event experience!

In order to help the event go with a swing we would like to ask the wonderful bakers out there to consider making a donation of a cake, cupcakes, biscuits or flapjacks to our cause. Please note that as we have children who have severe allergies we are unable to accept products that contain nuts.

If you are kind enough to make a donation please bring it to school either at the end of the day on Thursday 4th July or at the beginning of the day on Friday 5th so that all the necessary preparations can take place before the event.

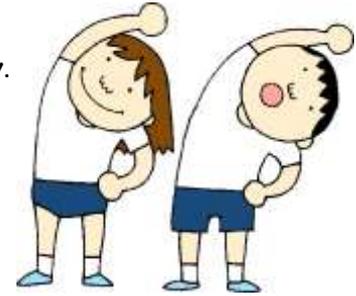

York Symphony Orchestra Summer Concert

Children and accompanying adults are invited to the open rehearsal of Peter and the Wolf as performed by the York Symphony Orchestra from 3pm on Sunday June 30th. The performance will take place in the Sir Jack Lyons Concert Hall at the University of York. Adam Tomlinson from BBC Radio York will be narrating the story and children from Stockton on the Forest primary school will see Mrs Snashall playing the part of 'grandfather' on the bassoon.

New Sports Afternoon Date

After two postponed dates for sports afternoon due to bad weather we have been able to identify a third date for the event; **Monday 15th July**.

The session will begin at 1pm with parents being welcome onto the school field from **12.45pm**. We are unfortunately unable to accommodate anyone arriving earlier than this as the children will be using the outside area for their lunchtime break. Please keep everything crossed for dry and pleasant weather!

Transition Sessions

On Wednesday 3rd July our Y6 children will be taking part in the city wide transition event by visiting their new secondary school. As a result we will be holding our third transition morning in school where children from Reception to Y5 will move up to their new respective classes. If you have any questions about the sessions or would like to meet with your child's new teacher, please feel welcome to arrange an appointment over the coming weeks.

Sharing Assembly

Our next sharing assembly will take place on **Friday 12th July** at 09.10am. During the assembly children from Pines class will be sharing their work. We look forward to seeing you there!

Can you Sponsor Mr Bates?

During the weekend of the 29th June to 2nd July Andy Bates (Rebecca's dad) will be cycling approximately 300 miles between Penrith and Milton Keynes in aid of Pancreatic Cancer UK.

The ride is in memory of a good friend and colleague of Mr Bates who died suddenly in 2017 from the disease aged just 53. If you would like to help Andy reach his £1000 target please visit

<https://www.justgiving.com/fundraising/a-bates1>.

Please Sponsor Miss Bell!

On 3rd August 2019 Miss Bell will be undertaking the 24 hour Relay for Life at York Railway Institute. The Relay for Life is being organised to raise money for life-saving research by Cancer Research UK. If you would like to know more, or would like to sponsor Miss Bell, please speak to her in person. Alternatively, you can make a donation into the box located in the main entrance to school, take a money box to collect change, or purchase an umbrella or scented candle.

We wish you all a wonderful weekend from everyone at Stockton on the Forest Primary School.
